## KNOW MI-O-NA WILL CURE

The Red Cross Pharmacy Have Such Faith in This Great Dyspepsia Remedy They Guarantee It.

It is an unusual thing for druggists to sell a medicine under a guarantee to refund the money if it does not cure. Yet this is the way Rickert & Wells, the popular druggists, are selling Mi-o-na, the standard dyspepsia remedy.

Never before have they had so large a number of customers tell them that a medicine has cured as with Mi-o-na. People who a few months ago looked like walking skeletons have put on flesh and today are ruddy and vigorous with perfect digestion and good health, solely due to the use of this remedy.

There is no longer any need of anyone suffering or making their friends suffer on account of dyspepsia, for Mi-o-na can be relied upon to cure. The percentage of cures is so nearly one hundred per cent that there is little risk to the Red Cross Pharmacy in guaranteeing to return the money if the medicine does not cure. And they stand ready to do so without any questions.

Headaches, all forms of indigestion, specks before the eyes, dizzy feelings, poor sleep, ringing in the ears and all forms of liver trouble are cured by Mi-o-na. A few days' treatment shows considerable gain in health and a cure speedily follows.

These summer days are the best in the whole year for the enjoyment of good health, and Mi-o-na will put you in such perfect condition that you can enjoy every minute of them.
